

Chautauqua Lake Erie Trail

The Chautauqua Lake Erie Trail is located in the largest grape growing region east of the Rockies and extends roughly 40 miles from Silver Creek, New York (Chautauqua County) to North East, Pennsylvania. With mostly free tastings throughout the trail, there's plenty for your palate to be excited about.

Chautauqua Lake Erie Trail

Take a stroll along any of the seven miles of pristine beaches at Presque Isle State Park. If you've got a blanket and picnic basket, all the better.

After a long day of tasting some of PA's top wines it's time to sit back, relax and have a laugh at Jr.'s Last Laugh, in downtown Erie.

Check out the Erie Zoo and be the first person you know to get a picture with a polar bear and a vintner in the same day.
